TO OUR SEMINAR

MY SEA, Mediterranean Youth workers for Sustainable Environmental Actions seminar will bring together about many countries from the two shores of the Mediterranean area.

The seminar is an opportunity for active youth workers and structural organizations found in the Arabic and European region to meet and exchange about diverse environmental projects and to develop qualitative, solid and long-term partnership in the Euro-Mediterranean area and then to expand networks between the Youth Social Actors in multinational projects.

BOKRA SAWA

Coordinator Organisation

Bokra Sawa Non-formal culture & education (France). The French organization Bokra Sawa is the applicant organization which is based in Marseille. The team works closely with Arab communities in Marseille and other Mediterranean countries, specifically with young people with fewer opportunities. The organization uses the creative tools of non-formal education which includes elements of art, culture and science to sensitize the youths to tangible and intangible Mediterranean cultural heritage.

FANNI RAGHMAN ANNI

Hosting Organisation

Fanni Raghman Anni Association (FRA) started its work in 2011, as a youth-led movement from the peripheries and streets of Tunis, gathering young artists who participated in the Tunisian revolution, using artistic tactics. FRA promotes innovative youth activism with arts, specifically in poverty-stricken areas and marginalized neighbourhoods. FRA is committed to raising social awareness and consciousness on human rights issues, including preventing violent extremism as a priority, through creative, artistic expressions.
